

Computer software has several advantages over the other methods of learning. Following is a partial list:

1. Economical.
2. Available 24/7
3. You can learn, Practice Bridge at your comfort level. Increase the skill levels of play/defense and convention knowledge at your own pace.
4. You can learn, practice bridge at your pace (unlike online rushing).
5. If you prefer, you can play online too with Bridge Baron.
6. Always have a competent, skilled and congenial partner and opponents!
7. A library of the many conventions is available for practice (bidding).
8. You can play tournaments and hone your skills.
9. Includes all 53 Octillion (incase you were wondering that is 53 followed by 27 zeros!) bridge deals as possible random deals.

And many more

As a bridge teacher, I can get the software CD for you at \$40. That is about at 43% discount of regular CD price of around \$70 (including shipping). Email/Call/Text: Email - jshaent@gmail.com, Ph 314-495-6093. Payment will be due when you pick up the CD. You may opt for a previous year version for only \$33.

You can install (download with a Key on CD) the program without a CD Drive.

An app - iBridgeBaron for the smart phones, tablets, etc. is also available for \$19.95. Copy and paste the link (<http://www.greatgameproducts.com/our-products>) in your browser for details.
