Club Results:

We have started loading our game results to ACBL Live. You should be getting a result email from ACBL Live directly. Please note that ACBL also sends game results the Common Games website. So you still should be continuing to receive email/text messages from the common games too. Be on lookout for the email explaining the changes in game results uploads.

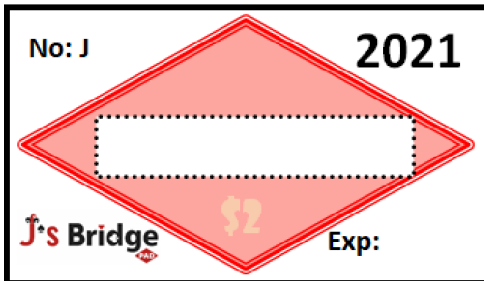

Diamond Card Renewal – the 400 Special:

You may have heard that J's Bridge Pad has introduced "the 400 Special". You may be asking yourself what is "the 400 Special"? Typically, a renewal of your Diamond Card is for one year, 365 days. However, with the 400 Special, if you renew your Diamond Card any time before December 31st, 2019 you will get 400 days added to your Diamond Card, instead of 365 days, a bonus of 35 days. For example, if your card is expiring on March 31st, 2020, it will be good till May 5th, 2021! "Such a Deal!", a phrase borrowed from J's Bridge Pad's friend Phyllis!

Monthly Attendance Prizes:

Our November winner of the \$25 Master Card gift card is Roberta Hayman. Congratulations, Roberta! This card is courtesy of J's Bridge Pad's good friend Ms. Priti Jain. If you have any questions about Medicare, supplemental insurance or any other insurance needs, her flyer and contact information is on our magazine table.

Our December prize is going to be a Diamond Card. See above for details on what the card is all about.

Remember, there is no cost to enter the attendance prize give away, all you have to do to enter is play a game or attend a class at J's Bridge Pad, that easy!

What do you think about our new J' Jar?

Bridge with Training wheels:

You should have already received an email about this brand new game at J's Bridge Pad. In this game you can ask questions to the coach during the game as well as refer to reference materials you may have with you. Additionally, you are eligible to get ACBL master points. The flyer for this game is available at J's bridge pad and on our website home page, www.jbirdge.info.

MODERN BIDDING SYSTEM

We will have left two more classes of the Modern Bidding System series on Wednesdays at 7 PM. Be sure to attend the Dec 4th class, which is going to be on "Doubles". Did you know there are 37 kinds of doubles? The last class on Dec 11th will be a recap and graduation.

If you have any friends who may be interested in learning the Modern Bidding System be sure to tell them!

Special Topic Classes Series II

We have concluded our Special Topic series II on Saturdays. We will be starting a new series soon. Keep an eye for an email including the start date and topics.

Special Games:

The Dec 19th & Dec 20th games will be charity games. You get extra points but no extra fee. What a bargain!

What's new at the Wall of Fame:

You may have noticed that “Wall of Fame” posters are now actually on the wall! We ran out of space on first poster and so we added a 2nd poster which is already a half full. We are happy for all those player’s achievements worthy of the “Wall of Fame”. Keep up the good work and remember, we can always add more posters!

January Sectional Tournament:

Hope you all had a good time at the sectional in October. Be prepared for more good times at our January 15-17 Sectional Tournament at Blanchette Park, St. Charles.

Housekeeping Reminders:

Be sure to clean up around your table and throw trash away, push chairs in, and return chairs to their original location. Also don’t forget to turn cell phones or put them on vibrate during the game, even the ones in your purses!! Thank you all for your continued cooperation

In closing,

We are always striving to improve your experience at J’s Bridge Pad. Do not hesitate to let us know if there is anything, we can do to make your experience better. We are implementing the suggestions as we get them.

Wishing you all a very happy holiday season and a happy new year.

Jay Shah
