## Modern Convention Series

Jay Shah/January 2021

J's Bridge Pad is excited to announce the Modern Convention Class Series, an interactive, customized class with a plenty of practice hands to promote your learning. The entire time we will be communicating and reviewing. Class notes are provided.

### What do I need for this class?

1. You will need a computer to view my screen during the class session, which will be held on Google Meet. You can listen to the broadcast on your smart phone or tablet, but it's difficult to see the whole screen on a phone or small tablet.
2. From our website [www.jsbridgepad.com](http://www.jsbridgepad.com) you can download the class notes for your class and read them before the class.
3. You will also need a basic knowledge of Bridge. If you are not sure, you can ask me.

### Session Structure:

1. We start with an approximately 60 minutes class on "Google Meet".
2. The class will then switch to the Shark Bridge platform for practice hands.
3. Registered and paid students will be emailed links to Google Meet and Shark Bridge at the latest by the day of class. Simply click on the Goggle Meet link 5-10 minutes before the class time and you will join the class. During the class we will let you know when to click on Shark Bridge Link.

### List of Topics & Dates:

The following sessions are based on Standard American systems. The sessions are single, standalone sessions.
